ACTING PRINCIPAL’S MESSAGE

YOU CAN DO IT! KEY: GETTING ALONG

A few weeks ago I outlined the importance of Resilience to a child’s success, and how you can assist in developing this.

The next key we’ll look at today is Getting Along because of late there have been a small number of incidents between students which need not have occurred. Also, as we near the end of the Semester and our A+ Day looms for students who have maintained a very high standard of positive behaviour, it would be a shame to see some unable to attend because they had made a poor decision.

• Always keep your promises.
• Be prepared to forgive and forget; it is human to make mistakes.
• Ask for help when you need it.
• Be kind of friend you’d like to have.

Making and keeping friends requires a lot of effort. It’s not always easy and sometimes friends do thing which are hurtful.

A good Friendship is one in which those involved all work together to make it an enjoyable and rewarding experience for everyone. Be prepared to step in and help your child if you sense their friendships are not appropriate or suitable.
A reminder that our monthly P&C meeting will be held tomorrow morning with a special morning tea to follow. This is to celebrate “P&C Day”, a time to say thank-you to our hard working volunteers. Everyone is welcome.

Howard Frost
A/Principal.
