TUCKSHOP NEWS

Welcome back to our first day of tuckshop. It was great to see the children again.

Our tuckshop is here for your children and so if you have any enquiries please don’t hesitate to contact me or the school office.

It had been suggested today from the lower school staff that maybe the burgers are bit to large for some of our younger students. So in taking that on board we will be offering mini burgers as of next week for $3.00. Also pickets - these are 2 with Jam & Cream for $1.00

Once again thank-you for your support.

Week 1 Term 1 20016

WELCOME BACK
Our Motto - DREAM, BELIEVE, ACHIEVE

Wow – what an interesting start to our term, we are very fortunate to have 22 preps enrolled this year and Mrs Francis, Miss Noli, Miss Lara and Miss Justine will certainly be very busy this term.

Mrs Richardson has returned from her fabulous holiday to our 1/2 class, Mrs Williams 2/3 class in her new surroundings, Miss Cork 3/4 and Mrs Chappell and Mrs Rye on 4/5/6. I would like to welcome Mrs Neilson who will be teaching Health and PE this year and Mrs Denman who will be teaching History and Geography. Mrs Stablum has returned to her Arts/ Music role as well as taking on teaching Science to some classes this year. Miss Watson is continuing in her SWD (students with disability) role and Miss Christina returning to teach LOTE. Miss Dennyelle is returning to school on Mondays to continue her role as a Teacher Aide. It’s awesome to see all of our wonderful teacher aides and Mrs Frost returning refreshed and relaxed after our Christmas break. I would like to welcome all of our new families to Seaforth State School. I have been to every class this week and there are some very enthusiastic children ready to learn.

School Parking – Please do not park on the grassed areas outside the resident’s houses closest to our school. Clear accessibility at all times to ensure safety of children. There is plenty of parking along the side of the school and we also have access to kindy parking at the moment. We are all excited for 2016 and please if you have any queries or concerns contact the office to make an appointment.

CLASS NEWS 4,5,6

Welcome to the start of the school year in Year 4/5/6. Our classroom teachers are Mrs Kay Rye on a Monday and Mrs Annette Chappell Tuesday to Friday. We are a class of 26 students currently.

This term we will be looking at Fantasy stories in English and by the end of the term students will have written an entertaining fantasy story of their own.

In Science we are looking at animal adaptations and how in particular Australian desert animals survive. This will be a really engaging unit where we look at camouflage in animals amongst other things.

Students will also engage in Maths, History, Civics, Technology, PE and the Arts. It is looking like the year is going to be great and students all seem keen and eager to learn.
