PRINCIPAL’S MESSAGE

CROSS COUNTRY—NORTHERN HIGHWAY

Well done to Mrs Nielsen for organising a fantastic cross country. I was very impressed with our students participation in this event and their great sportsmanship. Thank you to all teachers, staff and parents for your assistance on the day. Looking forward to hearing from those students that have advanced to the next level.

ANZAC DAY – SEAFORTH STATE SCHOOL

Our students led a very moving ANZAC ceremony yesterday afternoon. Thankyou to all parents and visitors that attended our ceremony and to the student representatives from each class who were called upon to lay wreaths. Our school leaders will participate in the Seaforth Anzac ceremony and I encourage all of our school students to meet with me at the Seaforth Fire Brigade to participate in the ANZAC march.

All students attending to please dress in full school uniform and arrive at 5.45 am ready to assemble and march at 6.00am.

E KINDY PLAYDATE

We were very lucky to have our E KINDY students join together yesterday for their first play date. This was organised through the EKINDY teacher and co-ordinators who travelled from Rockhampton to ensure our E KINDY students met with each other and had a chance to interact in a child friendly setting. It was lovely to see the students having a great time and I look forward to supporting many more play dates.

WORKING BEE

Our grounds are looking immaculate thanks to our new grounds person Jason Morris. Jason has been working above and beyond his allocated roster time to make this happen. Thank you also to the P&C and the families for co-ordinating and helping Jason last Sunday.

If we keep looking only at where our feet are going, we may walk off the cliff. We may miss a great opportunity. But if we can look up and look ahead, look forward, there’s a greater chance that we’ll live more productive lives.

CLASS NEWS

Year 3/4 (best class in the school... just quietly)

Our class has had a super term 1 and are getting our teeth into term 2 content. I have so many beautiful kids in my class that picking students of the week is getting very hard.

We were all sorry to see Phoenix move and relocate to Nebo, also everyone misses Matisse who has moved with her family.

This term In English students will be considering ethical situations and expressing their personal points of view. The assessment task for this unit requires them to write a persuasive letter to the school principal requesting that the school should celebrate the importance of Family as an annual event in the school calendar.

Today the kids will be taking home the year 3 Maths Content that they need to know by the end of the year. I am also sending this out for all year 4 students so they can identify any areas that could be revised.

Enjoy the coming public holidays!

MONDAY MUNCHKINS—PLAYGROUP

Our little playgroup went on an excursion on Tuesday to the Mackay Entertainment Centre. We attended the launch of 'First 5 Forever' Family Fun!

It was a great outing enjoyed by all. We proudly wore our new badges to show who we were and were asked about our group.

Photo of some of our group who were able to be there.
