SEAFORTH STATE SCHOOL NEWSLETTER
Week 6 Term 2 2016

PRINCIPAL’S MESSAGE

To the parents and community of Seaforth State School,

Well done to our Cross country reps who competed at Sarina on Tuesday. Mrs Nielsen accompanied our students and we are all pleased that they gave the tough course 100% effort. Kynan Nielsen ran like the wind at cross country and won his event. Awesome achievement Kynan and I can see this is only the beginning. DREAM BELIEVE ACHIEVE. Clay, Johnny, Kynan and Jaz represented our school with pride and are true examples of great sportsmen/sportswomen.

THANKS TO OUR P&C

Our prep room has received some very welcome new furniture courtesy of our awesome P&C. The preps now have a coloured desk that brightens the room immensely. I am very excited to see how the prep team - Mrs Francis, Miss Noli, Miss Lara and Miss Justine have set up the room when I return to school. A huge thank you to our P&C for donating the new furniture and yet another fine example of our P&C supporting the educational needs of our students. I am sure there are 24 very happy faces in the prep room this week.

UNDER 8’S DAY

Please note the Date Claimer for our Seaforth State School Under 8’s Day on June the 22nd. We have invited a number of cluster schools to this event and seek your assistance in support of this event. I am looking forward to a fun filled fantastic morning with all of our Under 8’s throughout the community.

This year we are producing a school magazine which will showcase work and photos of every student throughout the school year. Our Year 4/5/6 students have put their thinking caps on and designed a front cover that may be used for the magazine. Our Year 2/3 and 3/4 students will be voting on which design best suits our school setting and the magazine. This magazine will be available in Term 4.

I am always pleased when students want to share their completed work with me. It is great to see our students taking pride in the work they are producing.

Year 3/4 Class

Recently our Year 3-4 class was given the task to write and present a persuasive speech to an audience on an issue or topic of personal interest. Jillian Newton and Ebony Temple wanted to present their speeches to me and they did an awesome job. Please read below:

Jillian: Year 3

We should have longer play time.

We should have longer play time because we need to be keeping fit and healthy so our bodies are healthy. Also moving around helps your health and your brain remarkably keeps learning. Also exercise helps you learn better. You can find more friends and have a better life. What if somebody had no friends? Everyone should have a friend. It is most unlikely to make a friend in a short amount of time.

If you just sit around you won’t get pumped for class. If you’re not pumped and ready for school – then you won’t be able to learn properly. When you run your brain gets to think instead of being a couch potato.

WE DEFINITELY NEED LONGER PLAY!
Ebony Year 3
Tuckshop everyday.
We should be allowed tuckshop all week, because it will get us more money for the school. There will be a lot of different kinds of food to choose from. If you are late for school you can get tuckshop. It is great to get tuckshop.

Tuckshop everyday. The school would be poor! Come to the tuckshop everyday so you can get a delicious meal.

Kay Rye
Principal

Our weekly class news
This week we hear from 4/5/6

After 4 weeks off for shoulder surgery I have returned back to class to finish the term. I would like to thank Mr Frost for stepping in and covering while I recuperated. My shoulder is obviously still sore, but the students this week have shown lots of patience and a few funny faces as I attempt to write on the board. I am however excited to have returned.

As we approach the end of term 2 in Year 4/5/6 students are finding themselves very busy with many assessment items underway and more to come. Some of these will come home over the next few weeks for students to add extra information to boost their results. Please try not to help too much as I am wanting to grade the student result, not the parent result. Support however to complete is encouraged.

The year 5’s from all accounts gave the NAPLAN tests are real red hot go and I am super proud of them. The results from these tests will be back in term three and I am looking forward to seeing how well the class is travelling compared to other student’s across the nation.

If you have any questions feel free to make contact. My email address is achap53@eq.edu.au

Yours in teaching.
Mrs Annette Chappell

Mackay District Cross Country
A huge congratulations to the 4 students from Seaforth who travelled to Sarina on Tuesday to compete at the Mackay District Cross Country Trials. Clay Sandilands, Jazabelle Newton, John Bowman and Kynan Neilson all ran extremely well and did our school and the Calen and North Coast District proud. A special mention to Kynan who won his event and will be competing at the Capricornia Trials later in the month. We wish Kynan all the very best at the trials.

Mrs Neilson
PE Teacher

NAME | CLASS | AWARDED FOR
--- | --- | ---
