Mrs Rowena Neilson
Bus Conveyance Committee.

FOUND: NINTENDO DS FOUND IN SCHOOL GROUNDS. ENQUIRE AT SCHOOL OFFICE.

PRINCIPAL’S MESSAGE

END OF YEAR
AWARDS & CONCERT EVENING

Next Tuesday 29th November is certain to be a night filled with many CONGRATULATIONS to our students celebrating their successes. I would like to congratulate all of our students who have worked diligently to do their best throughout the year. Unfortunately not all will receive an award but know that your persistent efforts have not gone unnoticed. The awards night is for all students to partake in. At Seaforth our students are encouraged to be supportive of every student’s success and we encourage our students to be team players on and off the field. (in and out of school).

It will be a fantastic evening as our year comes to an end. We had a sneak preview last Friday when the upper grades did their XFACTOR routine. The students, Mrs Stablum and staff have worked hard towards this event.

The BBQ commences at 5:00pm, and for your entertainment before the Awards & Concert part of the evening commences Mrs Julie Webster’s dancers will perform for you. This will start at 5:45pm.

LEADERSHIP SPEECHES

Our year 5 students presented their speeches to the whole school on Thursday morning and again to parents and the whole school in the afternoon. I was very impressed with the quality of the written speeches and the students are already displaying excellent public speaking skills. It will go to the vote for all students and staff on Friday.

REPORT CARDS

Report cards will be sent home in the last week of school. Parent / Teacher interviews will also be held in the last week. Please contact the school if you will require an interview. I know that teachers have conducted an information session for this term and have already met with some parents, however if you require an interview please contact the office to arrange a time.

LEADERSHIP SPEECHES

True leaders don’t create followers...they create more leaders!
Officer Adam: Officer Adam from the Seaforth Police Beat visited with the Year 4/5/6 class on Tuesday. Officer Adam discussed the topics of Cyber Safety; Instagram; Snapchat; ask.fm; KIK messenger and Cyberbullying. Unfortunately our society is faced with these issues and it is important that our children are made aware of how participating in these social medias can be very dangerous to their well being. Officer Adam has left some fact sheets at the school office. For more information visit www.thinkuknow.org.au

Kay Rye
Principal

X Factor at Seaforth: Staff and students were entertained by our year 4/5/6 students in their X Factor competition. The judges Howard, Sandy and Carol had a difficult decision. However, it was a tie for first place. This went to the groups, Better Than Dancing and Timomatic. Second place went to Eye of the Tiger. You can see their performance again on the Awards/Concert night next Tuesday 29th November.

Mrs Rhonda Stablum.

Spinal Awareness
The whole school had a visit last week by Craig Cork and Dennis Greensil for a Spinal Awareness session. Craig has been a quadriplegic for 34 years after having a diving accident at the age of 19. Dennis has been a paraplegic since he was 15 after getting on the back of a motorbike with an inexperienced rider. They spoke to the children about the importance of being kind to their spine and let them know a little about their lives and how they manage a lot of daily activities. The students were intrigued and asked some great questions. Seaforth Primary would like to thank them for their time and for giving us all an insight into how your life can be affected from one poor choice. Miss Cork

Confidence
What it means to be confident:
1. Not being afraid to make mistakes
2. Believing you will be more likely to be successful than to fail if you keep having a “red hot go”
3. Not worrying too much what people think of you if you say something that is wrong or silly
4. Using sensible thinking about yourself when you make a mistake or someone is mean to you
5. Looking and sounding confident

Congratulations Lucas on a great Maths Assessment.
