CENTRAL QUEENSLAND ANNUAL PRINCIPAL’S CONFERENCE

Upon returning from the recent Central Queensland Principal Conference one key message was to have a sharp and narrow focus on priorities to improve our student outcomes. Semester 2 at Seaforth we will be focusing on improving our Numeracy skills through investigations in Math.

Aligning to this Mrs Chappell has greatly accepted my nomination to be our STEM champion teacher. Mrs Chappell will be focusing on Science, Technology, Engineering and Math with the year 3-6 students which involves intense professional development to deliver a quality program. Exciting activities will be planned and I know the students are already showing great enthusiasm in the very early stages.

Seaford DATA

CONGRATULATIONS TO OUR AWESOME SEAFOREST STAFF WHO HAVE BEEN INSTRUMENTAL IN LIFTING OUR HEADLINE INDICATOR DATA. This Data provides information across a number of areas including Attendance, Literacy and Numeracy, English, Maths & Science, Enrolment, and Behaviour. Every area has improved and this is a credit to our team at Seaforth State School. We are a GREAT STATE SCHOOL.

As the weather is getting chillier please ensure your students are appropriately dressed to cope with the cooler mornings. At Seaforth State School we would prefer a plain coloured or blue jumper. Thankyou for your support with this matter.
