Parent or Guardian

I understand that the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe __________________________________________ (Name of student) understands this responsibility, and I hereby give my permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.

8 INFORMATION

What is this consent for?

This Consent Form authorises the Department and the State to use the Individual’s copyright material, image, recording, and name, together with information about the Individual’s participation in Departmental and State initiatives, for any use by the Department and the State. The consent covers the entire or partial use of the Individual’s copyright material, image, recording, and name in conjunction with other words and images.

For example, the completed material can appear in school newsletters, school magazines, websites and other school publications, as well as in television advertising, videos, brochures, forms, public relations displays, annual reports, press advertising, internal documents such as manuals, websites, certificates, strategic plans, posters and promotional material and in materials produced by the Department or other State government departments. There may also be occasions on which the Department may approve the media, such as local newspapers and television, using information and material in relation to individuals – for example, drama and musical performances, sports and prize giving.

The Department has specific policies and guidelines in relation to publication of student images on the Internet – such as the Web Publishing Guidelines and Publishing Student and Staff Information on School Web Sites. These policies and guidelines may be viewed at www.education.qld.gov.au.

What is copyright material?

An Individual’s copyright material may include written work (eg stories and poems), paintings, pictures, drawings, designs, photographs, videos, films, music, performance, recordings, computer programs, websites, sculptures, fashion, metal or wood works made by them or to which they contributed. In the case of students, it includes, but is not limited to, work that they create in the course of their studies during the time they are enrolled at a State school. These materials may form part of their academic assessment or be part of their studies generally and may attract copyright.

The Department understands that students and volunteers generally own the intellectual property rights in the material they create and that this Consent Form is not meant to transfer those persons’ ownership – simply that the Department and the State have permission to use the Individual’s material for the purposes mentioned.

This Consent Form does not provide for copyright consent in relation to copyright works an Individual creates in the course of employment (whether or not in normal work hours or using departmental facilities or equipment), as where copyright material is created by a State employee (teacher, teacher aide, school administrative staff, guidance officer and any other State employee) while performing their duties under the terms of their employment, the Copyright is owned by the State as the employer (section 35 Copyright Act 1968). There are limited exceptions to this where the employee has prior agreement from the employer.

Generally, the deciding factor is whether the employee is performing their official duties. In addition, section 176 of the Copyright Act applies where the work was created by or under the direction or control of the State. However, moral rights may still apply to copyright material created by an employee. The Queensland Public Sector Intellectual Property Guidelines provide further information on Intellectual Property. If as an employee you have any further queries about the ownership of the intellectual property in respect of the works you create you should contact the Legal Services Branch.

What is an image or recording?

In this Consent Form, an image or recording includes photographs, videos, films, or sound recordings of the Individual.

Why is a Schedule used?

A Schedule may be attached to this Consent Form describing a specific use of the Individual’s copyright material, image, name or recording, either because it falls outside the purposes listed in Section 2 or to confirm the consent in this form.

What happens to the Consent Form once it is completed and signed?

The Consent Form is retained by the Department and it will be placed on the Individual’s file and/or the project file. The Individual or Signatory may request a copy of the signed form by, in the case of students and volunteers, contacting the Principal of the school, and in the case of employees, sending a request in writing through the District Office.

What if I give my consent and later change my mind?

The consent will be in effect for the period described in Section 3 of the form. The consent can be modified or withdrawn at any time by writing to the Principal of the school, and in the case of employees, writing to the District Office. However, any changes will apply only from the date that the Department receives any consent withdrawal. Any existing material will not be withdrawn from use if the Department or the State is currently using the material or where the Department or the State has entered into contractual obligations in relation to this material. In such cases the withdrawal will be effective after the Department or the State’s use is complete or after the contractual obligations come to an end.

Privacy

Your consent to the use of the Individual’s personal information (their image, recording or name) is required in accordance with the Queensland Government's Information Standard 42: Information Privacy. The information privacy principles contained within this Standard govern the collection, use, storage, security, and disclosure of personal information. You may obtain a copy of Information Standard 42: Information Privacy by contacting the Principal of the school, from the Department, or from the Office of Government ICT (at www.govinfoqld.qld.gov.au).
