

Investing for Success

Under this agreement for 2022
Seaforth State School will receive

\$49,222*

This funding will be used to

- Increase the opportunities for 1:1 feedback on diagnostic, monitoring and summative assessment items
- Increase the opportunities for cluster planning and moderation of level 3 planning and assessment items against the Australian Curriculum Achievement Standards
- Increase the opportunities for students to engage in The Arts Curriculum through the employment of specialist teachers in Music and Dance.
- Increase the opportunities for coaching and feedback for staff – APDP's, observations, learning walks, profiling.

Our initiatives include

Increasing the opportunities for 1:1 formal and informal feedback on diagnostic, monitoring and summative student samples	State School's Strategy (2021-2025) Visible Learning for Teachers: Maximising Impact on Learning (Hattie, 2012) Clarity: What matters most in learning, teaching and leading (Lyn Sharratt, 2018) Putting faces on the data: What great leaders do! (Sharratt and Fullan, 2012)
Participating in collaborative cluster planning days targeting the moderation of Level 3 planning and associated assessment	
Building teacher capacity and capability to implement and use the Early Start Data, in conjunction with the Literacy Continuum, to create school wide Literacy Goals for every student	
Developing teachers' capability to embed intra-school and interschool moderation processes to support effective teacher judgment and feedback to students	
Increasing coaching opportunities at local and cluster level for teachers to improve collegial engagement	

Our school will improve student outcomes by
